Asset Based Approach to Reduce Poverty in Wales

Meeting at the Senedd 29th June 2017

To answer the question asked around the School cycling, the information below was sourced from Sue Lewis the Pembrokeshire Planning Liaison officer:

We promote cycling in the county via the National Standards Cycle Training Scheme, we offer cycle training level 1 and 2 to every year 5 pupil in the county (smaller schools on a biennial basis to year 5 and 6 pupils) we are also able to deliver Level 3 to young adults and adults as and when requested to.

We also promote and take part in cycle to school weeks, school cycle fun days and we support school organised cycle rides.

Additionally to this Pembrokeshire has:

Clubs

- Pocket Rockets-(is a children's cycling club that meet at Sir Thomas Picton School every Saturday)
- Balance bike initiatives @ the leisure centres throughout the county

Events

- Family charity Rides such Narberth Rotary cycle ride/ Pembrokeshire Charity Bike Ride (Haverfordwest Hornets)
- Competition Events such as Go-Tri
- We work with Sustrans running Active Travel workshops in schools looking at how the journey to school can be made safer for cycling
- We develop travel plans with schools which look at the present mode of transport to school and how using promotion techniques we can change the ethos of the school to become cycle friendly

Each year we submit a safe routes in communities bid to Welsh Government looking at introducing cycle friendly initiatives within communities working very closely with the schools who are at the heart of the community. We have to date secured over £7 million and always come in the top 5 authorities for our bids.

We have published 25,000 active travel county wide cycle leaflets which have been sent out to schools promoting cycle routes throughout the County.

We run a bike mobility scheme for children with disabilities and learning difficulties where they utilise specially adapted cycles in a safe environment.

To answer the question asked around the information and activities available to children with a disability in Pembrokeshire, the information below was sourced from Ben Field, Service Manager Music and Sport, Pembrokeshire County Council:

In response to the query from the AM who raised the concern about lack of information for young disabled people in Pembs, please see the detail outlined below:

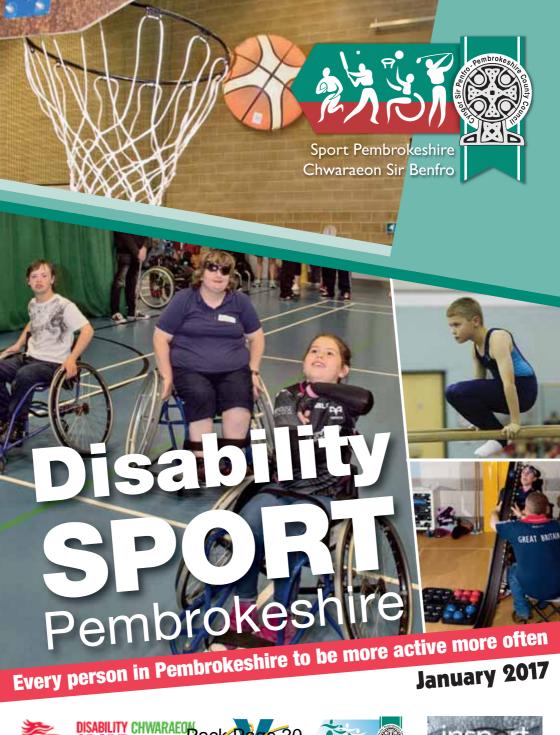

- Pembrokeshire County Council (PCC) have recently been awarded 'Insport Silver' accreditation from Federation Disability Sport Wales (FDSW). An accreditation which recognises the development of inclusive provision, opportunity & practices. PCC are one of only 3 LA's in Wales to achieve this prestigious kite mark, and are currently working towards Gold Standard.
- Sport Pembrokeshire have recently produced a 'Disability Sport Pembrokeshire Directory'. The directory
 outlines an array of opportunities for participation throughout the county, including profiles on all of the
 inclusive and disability specific sports clubs within Pembrokeshire, as well as opportunities for participation
 at local leisure centres. Pembrokeshire now proudly boasts 23 community sports clubs on the insport
 accreditation pathway.
- Pembrokeshire also proudly boasts 344 disabled sports club members (an increase of 92 members since 2014).
- In recognition of our excellent local practice and delivery, PCC have recently been awarded Spirit of London 2012 funding, to create and deliver a new project over the next 3 years called 'Get Out, Get Active' (GOGA). The aim is to help transform the lives of young (disabled) people in Pembrokeshire by helping them to become more active and involved in physical recreation. For further information our new GOGA Officer is Jessica West (jessica.west@pembrokeshire.gov.uk)
- As a Sports Development department we also offer an array of information sharing sites, including the following:
 - 1. Website (www.pembrokeshire.gov.uk/sport
 - 2. Twitter www.Twitter.com/Sportpembs (@sportpembs)
 - 3. Facebook (www.facebook.com/Sportpembrokeshire)
- On the 9th July, Sport Pembrokeshire, in partnership with Pembrokeshire Leisure, FDSW and Snowdrop Independent Living, are coordinating our annual Insport Series event at Haverfordwest Leisure Centre. The event encourages people of all ages and abilities to come along and try an array of sports including Target Shooting, Wheelchair Basketball, Boccia, Para Lifting, Football and much more.

If you have any further queries please do not hesitate to contact:

Elaine Scale, NERS Coordinator Pembrokeshire elaine.scale@pembrokeshire.gov.uk

Ben Field, Service manager, Music and Sport, Pembrokeshire County Council ben.field@pembrokeshire.gov.uk

Angel Miles, Disability Sports Development officer angela.miles@pembrokeshire.gov.uk

For a copy of this publication in Braille, large print, audio tape or an alternative language please contact Pembrokeshire County Council on 01437 776613.

insport Club

insport Club is a four-stage award programme, designed to support clubs down the path towards inclusion, by supporting clubs through the process of opening opportunities up to disabled people, in terms of participation, coaching, volunteering, and officiating.

There are 4 standards to the insport process, Ribbon, Bronze, Silver and Gold. All clubs within this brochure are insport accredited clubs and the logos below demonstrate which insport standard has been achieved.

UK Disability Inclusion Training

Disability Sport Wales offer a range of full (6 hr) or ½ day (3 hr) courses, intended to support those working in sport, leisure and physical education to deliver inclusively and are tailored to suit the following:

Coaches and Volunteers (6 hr)

Sport Development Officers (3 hr)

National Governing Bodies of Sport (3 hr)

Leisure Service Personnel (3 hr)

Teachers and Learning Support Assistants (6 hr)

Theory - 3 hours

Covering, perceptions and experiences, disability awareness, relevant legislation, potential barriers and how to remove them, with information about further contacts.

Practical - 3 hours

The session combines a theory with a practical – which really does help to apply information relating to the Sports Inclusion Model and STEPS to an active environment which will give you ideas about how to develop and adapt skill-based activities which are relevant to your sport.

Volunteering

The majority of opportunities in this booklet are run by volunteers

- Do you want to enhance and build your CV if you are unemployed?
- Do you want to gain work experience?
- Do you want to develop your skills, gain qualifications and increase your job prospects?
- Do you want to evidence your volunteering?
- Do you want to help your local community?

If the answer is yes, please contact:

Crymych Panthers Boccia Club

Derived from the Italian game of Bocce, Boccia follows the same principles as indoor bowls whereby a series of balls from opposing individuals or teams are targeted towards a white ball (jack). Points are scored by whoever has the closest balls to the white jack ball. A Boccia court is slightly shorter than a badminton court. The players have to play sitting down and remain within their throwing area (box).

To play at elite level the player has to fall into certain classifications.

These are:

BC 1 - CP – powered wheelchair user – all 4 limbs affected

BC 2 - CP - manual/power chair users - all 4 limbs affected - good arm strength with some limitation

BC 3 - Ramp Players, wheelchair users who cannot throw a ball consistently over the V on the Boccia court

BC 4 - Wheelchair users, all 4 limbs affected from a non-CP origin - muscular dystrophy, high tetraplegia etc.

Every Wednesday term time from 4-6pm

Pembrokeshire Disabled Bowlers Club began in 1984 as a social afternoon to bring people of all disabilities together. Volunteers give up their time to help the disabled on the green and even when we stop for tea at half-time.

The PDBC meet on Monday afternoons between 2pm-4pm (excluding Bank Holidays). We aim to provide our members with a safe, friendly & fun afternoon of activity.

We also like to encourage any of our players who would like to compete in County competitions, to go to bowls trials for the chance to represent Wales in their category, or even trips out to bowl in other venues.

The club has two senior sides, a first and second eleven who play in the Pembroke County Cricket Club league. The teams comprise of senior and juniors; the mix works well as each player has an opportunity to bat and bowl. The Under 11 team play in the league as well

Disability Cricket is gradually being introduced; senior and junior men and women are very welcome.

Pembroke Dock Cricket Club has a strong coaching structure, consisting of two Level 2 coaches and four Level 1 coach assistants. All have attended a First Aid course. One of the club's mottos is; enjoy - that extends to the cricket and social side of the club.

The management committee arrange various activities throughout the year; charity matches, trips to the Swalec Stadium to watch cricket and barbeques.

Soft ball is being introduced to promote the club, encompassing everyone from the community.

About the club - Pembrokeshire Puffins was formed in 2005. The aim of the club is to provide swim improvement coaching for children and adults who have learning and physical disabilities. We meet on Sundays between 3:00pm and 5:00pm at Haverfordwest Leisure Centre.

The Puffins are affiliated to Swim Wales (previously WASA) and have entered various disability swimming galas across South Wales since its inception. All swimmers compete in a safe, friendly and encouraging environment, with the aim being to foster sportsmanship and comradeship by focussing on competitors' abilities rather than their disabilities and gain new levels of confidence that carry through to their day to day lives.
