NDM6999 [Rhun ap Iorwerth \(Ynys Môn\)](#)

To propose that the National Assembly for Wales:

1. Notes that, whilst foreign affairs is a matter currently reserved to the UK Government and Parliament, Section 62 of the Government of Wales Act 2006 provides that “The Welsh Ministers, the First Minister and the Counsel General may make appropriate representations about any matter affecting Wales”.

2. Recognises the substantial Kurdish community in Wales.

3. Notes that a resident of Wales – Imam Sis, a young Kurdish man – is on an indefinite, non-alternating hunger strike as of 17 December 2018, which was initiated to protest the isolation of the Kurdish leader Abdullah Öcalan who has been imprisoned by Turkey since 1999 under conditions which are understood to contravene the Turkish state’s legal obligations in relation to human rights.

4. Notes that hunger strikes are taking place across Europe and the world, including by Leyla Güven, an elected member of the Turkish Parliament.
5. Notes that Turkey is a signatory to several international human rights treaties, including the European Convention of Human Rights as a member of the Council of Europe.
6. Expresses its concern at the reasons behind the hunger strikes.
7. Recognises that the ultimate aim of the hunger strikes is to see a peaceful, political solution to the Kurdish question in Turkey.
8. Affirms the importance that human rights obligations are upheld in Turkey.
9. Calls on the Welsh Government, on behalf of the National Assembly for Wales, to write to the Committee for the Prevention of Torture and Inhuman or Degrading Treatment or Punishment calling for the committee to visit Imrali Prison to assess the conditions of Abdullah Öcalan.
