Dear Chair,

Re: Evidence session with the Deputy Minister and Chief Whip, 12 October 2020

I hope that you and your family are keeping well during these challenging times.

Following your evidence session with the Deputy Minister and Chief Whip, I thought it would be helpful to restate my position regarding the Welsh Government's *Covid-19 Reconstruction: Challenges and Priorities* report published last week.

There are elements of the report which I believe will be beneficial to older people and reflect some of the issues I discussed with the Counsel General and Minister for European Transition in a meeting in June and which are set out in my [Leave No-one Behind: Action for an age-friendly recovery](#) report, which was published in August.

However, as stated in my [response](#) to the report, I was shocked and disappointed that the report did not explicitly recognise older people as a group that has been disproportionately impacted by the Covid-19 pandemic, nor recognise their important contributions to Welsh society, our economy, and older people's crucial role in Wales' recovery and future.

I have written to the Counsel General and Minister for European Transition to outline my concerns and have requested a meeting to constructively discuss the action needed to ensure that every generation feels recognised and valued and older people can be full participants in Wales' reconstruction and recovery.

I am aware that Age Cymru and the leaders of Wales' national older people's organisations have raised similar concerns, and have also written to the Counsel General and Minister for European Transition.

Rydym yn croesawu derbyn gohebiaeth yn Gymraeg. Byddwn yn ateb gohebiaeth a dderbynnir yn Gymraeg yn Gymraeg ac ni fydd gohebu yn Gymraeg yn arwain at oedi.
