Dear Mike,

Thank you for the Climate Change, Environment and Rural Affairs Committee's report on Future Wales - the national plan 2040. I am grateful for the Committee's scrutiny of the plan and very much welcome the contribution from all parts of the Senedd.

Over the coming weeks I will review your recommendations and those of the Culture, Welsh Language and Communications Committee. I will also reflect of the resolutions of the Senedd following the two debates on Future Wales on 29th September and 25th November.

In February next year, I will lay in the Senedd a detailed formal response to your letter, responding to the points you have raised and I will explain how these have informed the final published version of Future Wales.

Thank you once again for the Committee's scrutiny.

Yours sincerely
