Dear Adam

Thank you for your letter, dated 1 September 2016, stating your concerns about the Tai Cantref Housing Association takeover by Wales and West Housing Association. I also note your call for my committee to undertake an inquiry into the situation and the involvement of Welsh Government in the process.

As Chair of the Equalities, Local Government and Communities Committee, I am keen for our work to reflect the issues of the day facing communities across Wales. To support my understanding of the matters you have raised, I have requested my officials to undertake further investigation and to report back to me as soon as possible.

In the meantime, I have copied your letter to Nick Ramsey AM, Chair of the Public Accounts Committee (PAC), given that the issue raised in your letter lends itself more naturally to the work of PAC's remit. I understand that PAC will be considering potential future inquiries at its meeting on 19 September.

I will be back in touch with you in due course.

Kind regards

John Griffiths AC / AM
Cadeirydd / Chair
