Cabinet Secretary for Education  
Welsh Government

14 June 2018

Dear Kirsty,

**Education in Wales: Our national mission - Update**

Thank you for your letter of 12 June providing an update on progress under the Education in Wales: Our national mission action plan.

Members of the Children, Young People and Education Committee considered the letter informally at our meeting today, and welcomed the invitation to visit Pioneer Schools within their local areas to hear about the work that is ongoing. Members look forward to receiving invitations in due course.

The Committee also welcomed your offer of regular briefings, and will consider this further as part of planning its forward work programme.

Yours sincerely,

**Lynne Neagle AM**  
Chair
