Inquiry into Energy Policy and Planning in Wales

EPP 271 – Mr & Mrs Davies

I am writing to register my disgust at the way our beautiful countryside is being abused. Against all wishes of the people who live here and who voted for you. You turn a blind eye and a deaf ear. We are only custodians of the countryside and therefore should be obliged to preserve and protect it for the next generations. There must be a review of TAN8, it is unworkable and out of date.

Mr. and Mrs. Davies
