Dear Julie

National Development Framework – Update on timetable

With reference to your statement of 4 July 2019 regarding the timetable for publication of the National Development Framework (NDF), please could you provide the Committee with an update on the date the NDF will be published for consultation.

In addition, it would be helpful if you could let me know when the updated Statement of Public Participation will be published.

I would appreciate a response by 2 August 2019 in order to assist the Committee with planning for its scrutiny of the draft NDF.

Yours sincerely,

Mike Hedges AM
Chair of Climate Change, Environment and Rural Affairs Committee
