15 September 2016

Dear Nick

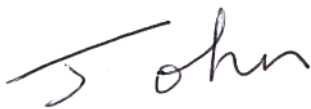

Please see attached correspondence from Adam Price AM, dated 1 September 2016, highlighting concerns about the merger between Tai Cantref and Wales and West Housing. My response dated 14 September is also included.

It has been brought to my attention the Public Accounts Committee will be considering potential future inquiries at its next meeting. As this is an issue that lends itself more naturally to the remit of PAC, I felt it appropriate to share with you.

Do let me know if your committee decides to look into this matter.

I look forward to hearing from you.

Kind regards

John Griffiths AC / AM
