Dear Sir Derek Jones,

Thank you for your letter and congratulations on your appointment. Rail performance, and the future development of Welsh railways is always high on the public agenda. As I'm sure you are aware, the Economy, Infrastructure and Skills Committee regularly undertake scrutiny of Transport for Wales including their rail operation. I would like to take up your offer to meet and discuss Keolis' future plans including rail development, the relocation of your headquarters and the relocation of your global rail division to Wales. I have asked the clerking team to contact your office and arrange the meeting.

Yours Sincerely,

Russell George AM
